

Run a Smarter, More Profitable Retail Business.

Running a retail business is complex. The right tools make it simpler. This suite of free resources helps you stay on top of key metrics, make smarter decisions, and **drive sustainable growth**.

FREE RETAIL TOOLKIT

TOOL 01

Path to Profit Blueprint

Map every expense and pinpoint exactly how much you need to sell to cover costs and turn a profit.

TOOL 02

Performance-Based Pay Calculator

Track each employee's performance-based pay against their desired selling cost over any period.

TOOL 03

Simple Cash Flow Template

Watch changes across your expense and revenue channels so you always know your true cash position.

TOOL 04

12-Week Cash Flow Tool

Build an accurate, forward-looking picture of your cash position — the foundation for strategic planning.

TOOL 05

Vendor Performance Scorecard

Score vendors on real POS sales metrics so you can negotiate the best possible terms with top performers.
